

## eLearning Conferences 2014

Clayton R. Wright has done his 28th version of his amazing list of conferences again this year. Past years eLearning Conferences 2012, eLearning Conferences 2011, eLearning Conferences 2010, eLearning Conferences 2009. You can contact him at: crwr77 [at] gmail.com. This year, he has cut down the list slightly to cover "selected events." But its still a massive list. As always, please note that events, dates, titles, and locations may change; thus, CHECK the specific conference website. Note also that some events will be cancelled at a later date, such as those in Tunisia and Egypt in early 2011. All Internet addresses were verified at the time of publication. No liability is assumed for any errors that may have been introduced inadvertently during the assembly of this free conference list.
